

MIGUEL ESTIMADA, after having been duly sworn, testified at the War Crimes Office, Davao City, Davao, P. I., on 17 November 1945, as follows:

1. Q. Please state your full name, age, address and nationality.
A Miguel ESTIMADA, 20 years old, Bahada, Davao City, Davao, and Filipino.
2. Q What is your occupation?
A I am helping at present my brother on his farm.
3. Q Explain everything in detail what happened to you and your family during the time of the Japanese occupation.
A When the American planes began to bomb Davao City in September 1944, the Japanese appeared to be very friendly. I often used to go to their camp which was near my house and exchange bananas and other fruits for Japanese cigarettes.

About May 2, 1945, ten Japanese officers with a group of Japanese soldiers came to our house in Bacaca, Davao City. I can only remember six of them. They are Captain SHIMAMURA, MASAO, OIDE, HIROSHI, MOSUKAWA and MORI.

These Japanese gathered the people from all the neighboring houses and said that due to the American bombings they will take them to Lapoy for protection. After all the people were gathered together the Japanese marched us to their camp and from there to an air raid shelter which was located about one-half kilometer west of my house.

I saw here thirty-four people in all which was made up of twenty-two men and twelve women. It was about 5:30 o'clock in the afternoon when the Japanese made us go into the air raid shelter. Ten Japanese soldiers guarded the shelter. I recognized four of them. They were MOSUKAWA, HIROSHI, OIDE and MORI.

I remember that MOSUKAWA came into the air raid shelter and dragged out Encarnacion LINES, about 17 years of age, and the Japanese soldiers held her outside on the front of the air raid shelter.

MOSUKAWA came back again and pulled out a girl named Pilar, I do not remember her last name. She was about 21 years of age. She was taken up the ladder of the air raid shelter and forced her to go somewhere from the air raid shelter with some Japanese soldiers. I do not know where they took her.

MOSUKAWA then came back to the platform in front of the air raid shelter and grabbed Encarnacion LINES from the soldiers who were holding her and tore off her dress and all the clothes that she wore until she was completely naked. Encarnacion was shouting and crying and tried to fight but the other three soldiers grabbed her and held her down on the ground. They placed her down on her back and two soldiers held her feet and another soldier held her arms. The names of those soldiers were Private MORI, Private HIROSHI and Private OIDE.

I then saw MOSUKAWA removed his pants and laid on top of Encarnacion LINES. He remained there about five minutes. I saw his body moving up and down and doing "pompom" (sexual intercourse) When he was finished he put on his pants and walked away.

Next, Private HIROSHI took off his pants and did the same thing while the other two soldiers held the feet of Encarnacion and

DOCUMENT 2728

the other soldier, her arms. After that the Japanese soldiers, MORI and OIDE, did the same thing. People in the air raid shelter were crying because of how they saw these soldiers rape Encarnacion LINES.

MOSUKAWA later returned, a short time after the soldiers had raped Encarnacion LINES, and carried her completely naked into the air raid shelter. My brother, Donato had a towel around his neck which he gave to Encarnacion to cover her body. A few minutes later, Pilar was brought back into the shelter. I saw that her dress was also torn off. She was crying and told her mother that the three Japanese who took her away had abused her and raped her. MOSUKAWA then gave some water and biscuits to the two girls who were raped.

All the people and myself were very thirsty but the Japanese did not give us any water or food. It was very hot in the air raid shelter. MOSUKAWA then told the people in the air raid shelter, after the girls were brought in, that all will be killed by hand grenades and that nobody will be able to leave the air raid shelter. The Japanese soldiers surrounded the entrance with their rifles with fixed bayonets and will kill anybody who tried to leave the air raid shelter.

Around 10:00 o'clock in the night, I was able to see Capt. SHIMAMURA and MASAO standing on the platform leading to the entrance of the air raid shelter. Although it was dark I was able to see them because of the reflection from the electric light which we had inside the air raid shelter. SHIMAMURA and MASAO were talking in Japanese for a few minutes. Then MOSUKAWA came down the stairs to the entrance of the air raid shelter while SHIMAMURA and MASAO walked away.

MOSUKAWA took out a hand grenade from his side pocket, tapped it against his helmet and threw it into the air raid shelter. In quick succession he threw about six or seven hand grenades into the shelter. Suddenly, the hand grenades exploded among us and the people began to scream, shout, and cry. Shrapnel hit my two hands. Those few who were able to move could not go outside the shelter because the Japanese soldiers were still there with fixed bayonets. When the people inside the air raid shelter stopped shouting, screaming, crying and moaning, the Japanese soldiers placed pieces of wood and iron roofing to block the entrance of the air raid shelter. It became very dark inside but I could still hear a few voices of some people.

The next morning, when it was daylight MASAO and SHIMAMURA returned to the air raid shelter and removed the wood and iron roofing from the entrance and looked inside. When MASAO saw Catalina BUTAY still alive he chopped off her head with his saber. SHIMAMURA saw me still alive, so he took his pistol and shot me and the bullet hit my left leg. Then he struck me twice on my upper right leg with his saber.

I can only remember a few names of the victims, all of them were Filipinos from Bacaca. The names who I remember are:

NAME	AGE	SEX	RELATION
Donato ESTIMADA	24	M	My brother
Marcelino ESTIMADA	28	M	My brother
Catalina BUTAY	35	F	No relation
Numeriano DEL ROSARIO	29	M	No relation

NAME	AGE	SEX	RELATION
Pilar REGONA	21	F	No relation, neighbor
Encarnacion LINES	17	F	Sister-in-law of my brother, Donato
Jesusa LINES	18	F	My sister-in-law, wife of my brother, Donato
Domingo ESTIMADA	2	M	Son of my brother, Donato
Goria LINES	23	F	Sister-in-law of my brother, Donato
Pascual REGONA	24	M	Brother of Pilar

I am the only person who is alive. I stayed in the air raid shelter among the dead people for three days and three nights without any food. About one o'clock of the third night I crept out of the air raid shelter on my hands and knees and crossed the river which was nearby. After crossing the river I met Dr. ZAMORA and a group of people. He treated my wounds. I remained with Dr. ZAMORA hiding in the hills for seventeen days.

4. Q When MOSUKAWA threw the hand grenade into the air raid shelter did you see any officers nearby?

A Yes, sir. I saw Captain MASAO near the entrance about seven meters away.

5. Q Was Captain MASAO there when the soldiers raped Encarnacion LINES?

A Yes, sir. He was standing at the entrance of the air raid shelter and did nothing to stop the soldiers from attacking Encarnacion LINES.

6. Q Was Captain MASAO there when Private MOSUKAWA threw the hand grenade into the air raid shelter?

A Yes, sir, he was right near the entrance and he did not stop the soldiers from throwing it.

7. Q Did you ^{hear} Captain MASAO gave an order to MOSUKAWA to throw the hand grenade?

A I do not know whether he gave him the order. While the three soldiers were talking together, Captain MASAO went over to Private MOSUKAWA and talked Japanese which seemed to say that he should kill the people in the air raid shelter because immediately after he stopped talking, MOSUKAWA took out the hand grenades and began to throw them into the air raid shelter.

8. Q Have you ever seen any of these Japanese since that time?

A I recognized these Japanese when I was at the prisoners of war stockade at Davao, Davao City with two War Crimes Investigators, Captain KLASSE and Lt. ZWARGEL. I was able to pick out from around 800 Japanese officers in the stockade, Warrant Officer, Morisada MASAO of the Navy; Yutaka MASHIRO, Ensign of the Navy; and Capt. Katsuji SHIMAMURA, Navy. That was the first time I learned all their full names.

9. Q Do you have anything else that you would like to add to this statement?

A No, sir.
